

# ASICS OUTLET

## STORE SUPERVISOR – 30 HOURS

---

Do you want to work for the nr 1 in running? Are you ready for the next step in your retail career?

You advise the customer on finding the right shoes and clothing, label new items, handle the cash register and make sure the store looks perfect. You have in-depth knowledge of our product range and are able to translate this into the customer need with enthusiasm and drive. You are (partly) responsible for opening and closing the shop and checking the cash register. You are in charge of the store if the Store Manager and Assistant Store manager are absent.

### ASICS offers you:

- An energetic team of colleagues, passionate on sports
- Being part of the enhanced (running) experience in our store
- Several (technical) trainings per year, for example on our products and customer service
- The possibility to give input and develop yourself in our company
- Discount on ASICS products

### You offer ASICS:

- Full-time and flexible availability also in weekends (Saturday and/or Sunday)
- At least two years of working experience in a retail environment
- Good command of Danish and English
- Sports mind and sport knowledge
- An enthusiastic colleague
- Responsibility
- Practical attitude
- Eagerness to learn
- Representative appearance
